OUR NEWS OF THE LAST WEEK

Evacuation From Our Bachmut.

One tire is punctured, and a rocket hit the car behind them, causing it to burn completely. But three Ukrainians are already safe!

Joint operation with the State Emergency Service of Ukraine. We evacuated an old woman from the village of Mala Shapkivka in the Kupyansk district of the Kharkiv region.
The old woman weighs over 140 kg.
Together, we were able to transport her to a safe place.

The main event of last week - we returned to the evacuation from the occupied territories.
The first trip was successful. 11 people, including children, were evacuated from the temporarily occupied Melitopol.
