OUR NEWS OF THE LAST WEEK

Kharkiv - Martove - Vovchansk - Martove - Kharkiv Is One Of Our Evacuation Routes.

There used to be a direct road from Kharkiv to Vovchansk, but the dam in Staryi Saltov was blown up.
This is still the only road to Vovchansk. But we are going, because they are waiting for us.

Escape From Bakhmut

Vadym watched as a 5-storey building on Dekabrista Street in Bakhmut exploded into two parts, leaving 5 people buried alive in the basement with no chance of escape. So this morning he got on his bike and went to Chasovyi Yar and asked us for help. We took him to Kramatorsk and gave him money for a ticket to Kyiv. This evening he will arrive to a new beginning.

Over the past few days, Chasovyi Yar and Kanal have been heavily shelled.
10 of the evacuated people lost their homes yesterday, lost everything they had. Some of them lost their neighbors. Everyone was taken to safe places.
