OUR NEWS OF THE LAST WEEK

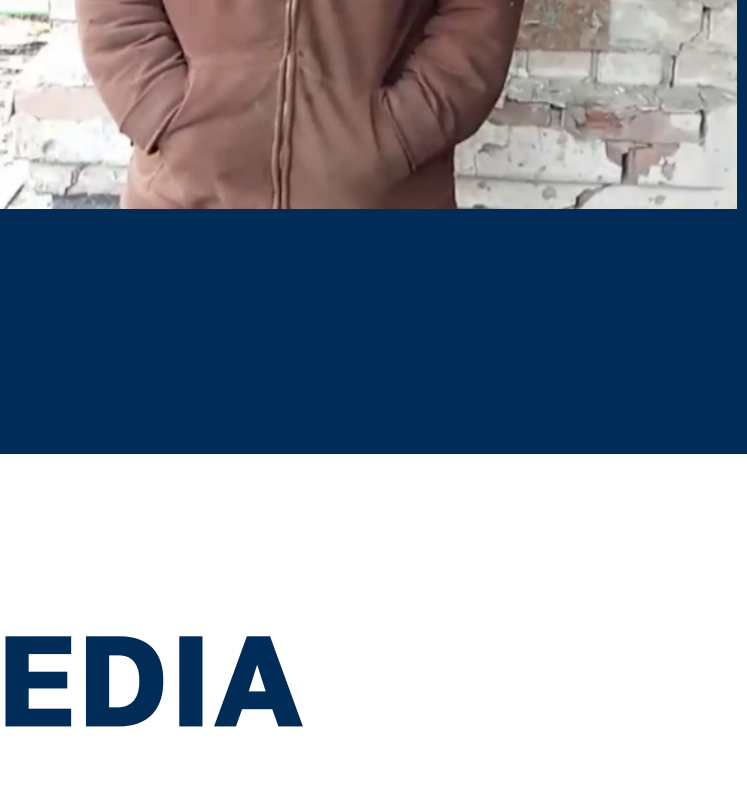
Disabled Evacuation

A disabled lady we brought back to Kherson from Odessa. She was thrown out by an explosive wave and broke the hip bone. We took from the regional hospital of Odessa to Kherson with 2 accompanying.

Large Family Evacuation

Another feat case - evacuation of a large Kherson family of 9 children and 2 parents! They were resettled to one of Odessa shelters. Thanks Nova Ukraine for the vehicle!

We Still Put Much Effort To Persuade Locals For Evacaution



Ivan from Zabakmutka. On January 6, together with a medic, our driver went to Ivan`s place under shelling and took his wife out for medical evacuation with craniocerebral injuries. Ivan refused.

On the video he says that everything is fine, he`s alive, but he seems to be losing control of reality. But anyway he agreed to be evacuated to his family and wife, who is still in the hospital.
