OUR NEWS OF THE LAST WEEK

Bohdanivka. 2 people refused to be evacuated to Kyiv

Bohdanivka is actually cut off by Russian positions along two roads inland. We went through Kalynivka and took a dirt road to get access to evacuate our grandparents to a new life, but unfortunately they refused.

A small but important victory. Chasiv Yar

4 people were evacuated, including three women, including a grandmother who walked hard for three hours from Bakhmut to Chasiv Yar.

A 75-year-old man came by bike.

Olga, on the left of the photo, tried to leave on 25.03.23, but the shelling was too scary. Today, on her birthday, she decided to try again and succeeded.
